

Warwick Summer School 2020 in London

in collaboration with
St Mary's University

19 July - 8 August

THE UNIVERSITY OF WARWICK
IN LONDON

St Mary's
University
Twickenham
London

Students on the Warwick Summer School in London will be taught by academics from one of the UK's leading Universities, whilst living in the beautiful London suburb of Strawberry Hill.

St Mary's peaceful and self-contained campus is only 30 minutes from the heart of London, making this a unique "best of both worlds" experience. In addition to the excellent academic courses, students will also enjoy lectures from inspirational guest speakers as well as a fun and engaging social programme. There will be plenty of time in the programme for students to explore central London and the local area. Students who have attended previous Summer Schools were overwhelmingly positive about their experience, with 97% of them saying they would recommend it to others.

Courses

Whether you want to boost your core knowledge, are looking for something more specialised, or would like to learn something new, we have a course that is right for you. All of our Summer School courses are three weeks long and are suitable for students 18+ and who are currently studying (or who have previously studied) at undergraduate or postgraduate level.

Details of specific entry requirements for each course are on the website warwick.ac.uk/summerschool

Taught by top faculty members, the courses will reflect the highest standards of Warwick's and St Mary's learning. The courses for 2020 will include:

Economics and Business

- Behavioural Economics
- Communications and Marketing
- Game Theory and Competitive Strategy
- International Business and Finance
- International Development
- Introduction to Economics
- Money and Banking
- Strategic Management

Social Sciences

- English Language for Business
- International Economic Law
- Leadership, Communication and Innovation
- Politics and Globalisation

Sciences

- Data Science: Foundations of Data Analytics
- Introduction to Artificial Intelligence
- Introduction to Psychology
- Computational Modelling for All

"This has been the most enriching and unforgettable experience in my life."

Anandita De, *India*

"I learned to work with people from different cultures and ways of thinking. It opened my mind."

Manfredi Randazzo, *Italy*

Inspirational Lecture Programme

Our Summer School includes a fantastic programme of interactive sessions with eminent public figures. Speakers previously have included Nobel Prize Winning Economist, Professor George Akerlof, former Cabinet Secretary, Lord Gus O'Donnell, Paralympian Gold medal winning Alpine Skier, Kelly Gallagher, MBE and entrepreneur, Krisi Smith. The speaker programme is included in the tuition fee.

Residential Packages

We offer a range of accommodation and catering packages to suit different tastes and budgets.

Social and Cultural Programme

Our fun social programme is a real highlight of the Summer School. The tuition fee includes: a BBQ on arrival, an elegant welcome dinner off campus at Twickenham Stadium, home to Rugby, a lively curry, karaoke and disco, film night, a choice of sports activities and a farewell graduation ceremony on the final evening. Students will also have the opportunity to visit the University of Warwick's main campus which lies north of London. In addition, we offer a number of optional trips, which students can pay for separately. These will include day trips to Oxford and Brighton, a tour of the Harry Potter Studios and tickets to some of London's top attractions like the London Eye and famous West End.
